PRESS RELEASE 10/2019

Diana Porsche celebrates successful qualification for Rimini 2019

Dear Sir or Madam!

After her outstanding performances in qualifying tournaments, Austrian dressage rider Diana Porsche was nominated for the Under 25 European Championships in San Giovanni in Marignano (Rimini) in Italy. There, the 23-year-old and Oldenburg Wallach „Di Sandro OLD“ will represent Austria from July 24th to 28th. The Salzburg-based athlete will participate for the fourth time in Under 25 European Championships. In 2016, Porsche won the bronze medal in Hagen (GER).

„When Di Sandro OLD was injured two years ago, the doctors said, that he will never be able to compete in a tournament again. That’s why this participation means a lot to me. I’m glad that he is so fit and successful again. Our main target is to qualify for the final!“, says Diana Porsche, who also hopes to succeed in the team competition.
