PRESS RELEASE 12/2019

Successful international tournament for Diana Porsche

Dear Sir or Madam!

Austrian dressage rider Diana Porsche was part of a very special CDI4*-tournament in Wattens (Tyrol). At the place of famous family Haim-Swarovski, stars like the Olympic Champions Isabell Werth (GER) and Dorothee Schneider (GER) or Lisa Müller (came with her husband, the famous football World Champion Thomas) and even Thai princess Nariratana Rajakanya Mahidol were among the starters.

On Friday, Porsche achieved an impressive seventh place with her horse Douglas in the Prix St. Georges. The big winner of this event was superstar Victoria Max-Theurer (AUT), followed by Dorothee Schneider (GER) and Pablo Gomez Molina (ESP).

Also on Saturday, Porsche was able to gain valuable experience with the horses Douglas and Chrevi's Ravello. There, the 23-year-old narrowly missed the Top ten. With Douglas, the Austrian finished 12th, Chrevi's Ravelli took 14th position. The big winner of this event was Olympic Gold medalist Dorothee Schneider from Germany.

"I am very satisfied, especially with the first day of the tournament. Douglas and Chrevi's Ravello were international for only the second time. That makes me very confident for future tasks!", says Diana Porsche, who will represent Austria at the Under 25 European Championships in Italy in July.
